Dear Mrs Kidwell Paralegal,

Thanks for your letter of notification of abandonment of June 04, which I received lately on June 28 due to derouting to Philippines. May I outline the objection thereagainst:

- My first fax disclosed that the oath, which resembles to the one accepted by the examiner Dennis Pedder, complies with the US-rules.
- My second fax disclosed that CIPO (Canadian Patent Office) has no objection to my submittal which you have received.
- To my third fax the confirmation of CIPO was attached.

Because you has not replied thereto I presume that USPTO has accepted my logical arguments.

On July 23 I will phone you to discuss of the oath, which translation is defective and fees in order to properly submit to USPTO.

Thank you in advance.

kind regards

Go
